Insights from Credit Professionals

Malaysia

- The Know Your Customer process is essential in Malaysia. Must do your diligence to find UBO (Ultimate Business Owner)
- Don't rely on trade name

Mexico

- Deductions & disputes have increased due to changes in tariffs and fees.
- Many customers are negotiating terms due to increased tariffs
- Important to have relationship with C-Suite and/or owners
- Having in country presence (sales) helps with communication

Chile

- Good customer relationship is important (culture)
- Must understand the payment cycle

Egypt

- Ensure you have local data on customers. Egypt is not required to share as much insight as other countries.
- Tariffs and supply chain issues have had an effect

Insights from Credit Professionals

Non-country-specific Advice from the survey.

- Know your real customer, not the Trade/Banner name but the True Legal Entity (5 C's of Credit).
- Start early building a relationship with your customer, and include your salesperson
- Consistent communication with your key customers is essential
- Follow up with the customer's Procurement Dept and Finance Dept as many times as necessary.
- Obtain updated credit information Look for owner and addresses verification, as changes are often not communicated by the customer. Know all you can about the customer. Pull a credit report for payment history and legal status and name verification.
- With continued global inflation, tariff war in Mexico and high interest, you need to know your true legal customer to prevent fraud and keep your A/R secured.
- It is important to know customer's payment process to avoid misunderstandings or delays due to administrative issues.
- Obtain financial statements on your customers and backstop sales with credit insurance.
- Ensure payment language is on the wire payments received.
