Insights from Credit Professionals

China

- Ask for N30 knowing they'll pay 45-60. Expect Chinese Holidays to last 3-4 weeks as an excuse to delay payments
- Make sure all food products are labeled correctly. Huge delays if not done properly and even shipped back.

France

- Entitled to pay late because that's the French way. Standard terms start at N90

Ecuador

- Know your customer, Legal entity, credit capacity, operational metrics and financial health (5 C's of Credit) especially in these Turbulent Economic times.
- Follow Tarriiff updates.

Singapore

- If invoicing in a currency other than SGD, make sure to display the local SGD currency on the invoice
- Minor country risk and payments are mostly Prompt to only 10 DBT

Insights from Credit Professionals

Non-country-specific Advice from the survey.

- Know your real customer, not the Trade/Banner name but the True Legal Entity (5 C's of Credit).
- Start early building a relationship with your customer, and include your salesperson
- Consistent communication with your key customers is essential
- Follow up with the customer's Procurement Dept and Finance Dept as many times as necessary.
- Obtain updated credit information Look for owner and addresses verification, as changes are often not communicated by the customer. Know all you can about the customer. Pull a credit report for payment history and legal status and name verification.
- With continued global inflation, tariff war in France and high interest, you need to know your true legal customer to prevent fraud and keep your A/R secured.
- It is important to know customer's payment process to avoid misunderstandings or delays due to administrative issues.
- Obtain financial statements on your customers and backstop sales with credit insurance.
- Ensure payment language is on the wire payments received.
